Note:

1. Number of ships involved includes multiple voyages during one month by the same vessel.
2. Estimated capacity (GRT) is indicated although some vessels made trips with less than capacity loads or in ballast. Whether a ship carried cargo to or from China and the actual cargo tonnage involved may not be ascertained from these data.
3. The above figures include vessels which were en route to and en route from Communist Chinese ports as well as those vessels which arrived in China. Individual vessels are frequently "involved" in more than one month.
